

The Garage Store Assembly Instructions

Product: FlexiTrack

These instructions are designed to help you install our FlexiTrack on your wall.

Package Contents:

- Each length of FlexiTrack is either 1200mm or 2400mm in length and comes with white headed screws.

Tools Required:

- Electric screwdriver or drill with 6mm Phillips driver bit
- Stud finder (or small brad nails)
- Spirit level and pencil
- Safety glasses

The Garage Store Assembly Instructions

Step 1: On the wall area where you wish to install your FlexiTrack, locate and mark the stud centrelines. To do this either use a stud finder or the traditional method of small brad nails. Alternatively, if fixing to a brick or block wall use wall plugs at 400mm centres.

Step 2: Measure out where you would like to install your strip of FlexiTrack on the wall and draw a line to mark the space. Use a pencil and a spirit level to ensure your line is straight and level.

Top Tip: Ensure the FlexiTrack strip is the right way up, the lip should be on the top.

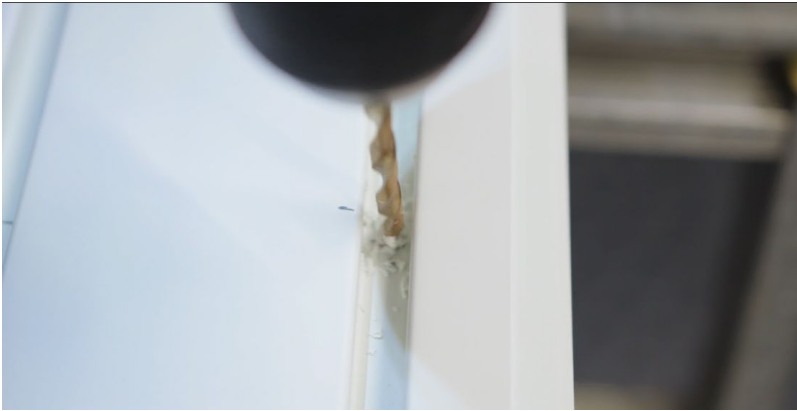

Step 3: Using your pencil, make some marks on your FlexiTrack strip to indicate where you want the screws to be placed. For optimal results, we recommend spacing the screws evenly along the strip, ensuring that you place one screw at each end, approximately 5-10cm from the edges.

The Garage Store Assembly Instructions

Step 4: : Drill your holes using a 6mm drill bit right the way through ready to fix to the wall.

Step 5: Hold your FlexiTrack up to the wall and mark your holes on the wall using a pencil.

The Garage Store Assembly Instructions

Step 6: Drill your holes in the wall.

Step 7: Place your FlexiTrack strip back up on the wall and fix using the white headed screws provided. Be careful not to overtighten.

The Garage Store Assembly Instructions

Step 8: Place your storage accessories onto the FlexiTrack and you are ready to get organised.

Tips:

- We recommend only installing FlexiTrack on bare studs or on brick/block walls
- Make sure that your two ends are fastened securely before adding storage accessories

If you have any questions or need some advice regarding your installation, please do get in touch and we will do our best to help.
